- 2 *Reader's own answer.*
- 3 Yes, they did. Billy Bones, Black Dog, Pew, Long John Silver and Ben Gunn sailed with Captain Flint before. **Example answer:** Maybe they liked Flint because, with Flint, the pirates stole money from ships. And Silver's parrot has Flint's name. But maybe they did not like him because he did not share his treasure with them. Ben Gunn did not like Flint because Flint left Treasure Island without him.
